INDEX TO VOLUME XXII.

A

Account, keeping farm,..... 51, 171
Advertisements, humbug,..... 161
Agricultural discussions,..... 116
— — at the State Fair,..... 304
— exhibitions, list of,..... 290
— experience, items of..... 45, 116, 149
— Fair, Provincial (C. W.),..... 333
— — State, Illinois,..... 324
— — — Michigan,..... 336
— — — New York,..... 302
— — — Ohio,..... 324
— — — Vermont,..... 324
— implements and machines,..... 113, 333
— laborers, Punch on the condition of, 94
— prospects of the United States,..... 234
— societies, premiums for fancy trotting and female equestrianship,... 49
Agriculture, effects of the war on, 214, 267
— history of British,..... 112
— in America, progress of mechanical, 322
— — Canada, importance of,..... 311
— legislation affecting,..... 113
— meat making in,..... 114
— of Illinois,..... 175
— science in,..... 17
— steam power in,..... 114
— the hope of the country..... 190
Allanthus on blowing sands,..... 251
American ivy in England,..... 375
— shade trees,..... 29, 92
Ammonia, power of soils to retain,..... 78
Animals, currying, importance of,..... 277
— eyes, to remove chaff from,..... 271
— in winter care of,..... 307
— oat straw as food for sick,..... 344
— small chests for fattening,..... 15
Ants in bee hives,..... 117, 146
— to drive away,..... 148
Aphides in England,..... 375
Apple, dwarf,..... 97
— how dwarfed,..... 35
— large,..... 28
— raising in Western New York,.. 89, 347
— tree caterpillar,..... 188
— — largest in America,..... 374
— value of the Northern Spy,..... 89
— varieties of hardy,..... 84.
— wild crab for dwarf trees,..... 35
Artificial food for cattle,..... 128, 158, 365
— gardens,..... 317
— propagation,..... 124
Ashes on corn,..... 98
Ash, the Mountain,..... 373

B

Bark for budding, basswood,..... 96
Barley as food for horses,..... 161
— best soil for,..... 11
— fly, depredations of,..... 12
— lingered,..... 140
— for malt,..... 367
— — pork making,..... 307
— — sheep,..... 173
— naked or bald,..... 332
— two and six rowed,..... 141
— winter, profits of,..... 361
Barrels, tainted, to cleanse,..... 36, 42
Beans, cultivation of garden,..... 153
— of white,..... 170
— harvesting,..... 304
Bee hives, ants in,..... 117, 146
— robbers,..... 141
— stings, remedy for,..... 208
Bees, humble, sagacity of,..... 338
— in war time,..... 344
— Italian,..... 117
— management of honey,... 143, 174, 208, 241, 272, 308, 337
— profits of keeping,..... 338
Bees to tame,..... 240
— wintering,..... 308
Beer plant,..... 324
Beggars, tramping,..... 306
Birds eating seed, to prevent,..... 141
— record of the first arrival of,..... 260
Blackberry, to ripen New Rochelle,... 282
Blind staggers, cause of,..... 45
— — remedy for,..... 36
Blistered feet, to prevent,..... 204
Blockade, effects of the,..... 289
Bombshells, how made,..... 287
Bone-dust, origin, uses and benefits of, 357
Bones, feed, to hens,..... 92
— for manure, to prepare,..... 128
— paying farmers to cart away,..... 289
Books and pamphlets received,..... 87
Bordering for flower pots and boxes,... 42
Buckwheat for hogs,..... 88
Bugs, buttermilk for striped,..... 258
— in late sown peas,..... 129
Bulls, working,..... 306
Butter, keeping,..... 207
— making, essay on,..... 56
— — experiments,..... 74
— — in England,..... 329
— — — New York State,..... 202
— taste of turnips in,..... 22
— to keep sweet,..... 178
— working,..... 111
Buttermilk for the striped bug,..... 258

C

Cabbage, club-root in, causes of,..... 142
— moth,..... 185
— seed, raising,..... 128
— transplanting,..... 158
Calico dresses,..... 256
Calves, how born,..... 115
— linseed meal for,..... 111
— lice on, to destroy,..... 49
— rearing,..... 48, 77
— salt for,..... 77
— scours in, to prevent,..... 49
— trough for feeding,..... 48
— wintering,..... 339
Carrots, culture of,..... 158, 160
— hoeing,..... 211
— large yield of,..... 74, 75, 106
— preserving, in winter,..... 351
Castrating and docking lambs,..... 119
Cattle, American short-horn in Europe, 212
— and their management..... 268
— at the New York State Fair,..... 302
— — — Provincial Fair (C. W.),..... 334
— choked, remedy for,..... 142
— condition powders for,..... 171
— doctoring, too much,..... 80
— rancy,..... 126
— feeding for market, best method of,. 95
— good prices for,..... 215
— — qualities of Kerry,..... 151
— Hereford, in Canada,..... 42, 334
— raise more,..... 367
— salt for,..... 81
— soiling, benefits of,..... 179. 202
— — clover for,..... 179
— steamed food for,..... 110, 160
— Thorley's food for,..... 128, 158
— unruly, to manage,..... 275, 276
Cauliflowers, transplanting,..... 158
Celery, blanching,..... 89
— — and keeping,..... 350
— essay on the cultivation and preparation of,..... 89
— plants, directions for setting,..... 217
Chaff in animals' eyes, to remove,..... 271
Changing seed,..... 76
Cheese making, essay on,..... 55
— — experiments in,..... 74
Cheese making in England,..... 329
— — — New York State,..... 202
— — mistakes in,..... 331
— — tools for,..... 55
Cherry, best stock for grafting,..... 89
— cultivation of, in Illinois,..... 123
— trees, causes of and remedy for cracking in,..... 97
— — dwarf,..... 317
Chickens, buttermilk for gapes in,..... 256
— raising early, in a hot-bed,..... 178
China, rural,..... 15
Chinese sugar cane, experiments with, 148
— — — in Illinois,..... 339
— — — seed, sowing,..... 178
Churches for the country,..... 25
Churning cream, proper temperature for,..... 332
— the whole milk,..... 111
Cider filters,..... 367
— sulphite of lime for preserving,..... 363
Cistern, a cheap,..... 306
Clay, burning into brickdust,..... 118
Clover, eating off in the fall,..... 239
— fields, keep the stock from,..... 75
— for soiling cattle,..... 179
— green, for hog cholera,..... 365
— hay for sheep,..... 362
— ley for wheat, advantages of,..... 10
— plants, value of,..... 18
— roots, length of,..... 211
— seed, germination of,..... 12
— — sowing in spring,..... 79
— — plowing in,..... 79
— sod, wheat on,..... 12
— vs. timothy,..... 12
Clubs, farmers',..... 47, 78, 113
Codling moth,..... 184
Colors, harmonizing,..... 32
Colts, time of mares carrying,..... 240
— whisking their tails,..... 74
Compost for corn,..... 82
Convenient memory,..... 222
Cooking food for stock,..... 110
— soda and saleratus in,..... 61
Corn, applying manure to,..... 139
— ashes on,..... 98
— changing seed,..... 76
— compost for,..... 82
— cultivation of Indian,..... 58, 108
— experiments on Indian,..... 18
— for fattening pigs,..... 306
— Indian, value of,..... 307
— — in the free and slave States,..... 194
— lime for,..... 178
— number of hills to the acre,..... 193
— — — stalks in a hill,..... 178
— pumpkins among,..... 109. 214
— selecting seed,..... 338
— shoveling, from a wagon,..... 306
— manuring for, in autumn,..... 367
— measuring in a crib,..... 240
— rotation of crops for,..... 58
— soap for,..... 150
Cotton, tree,..... 374
Cow, a fat,..... 235, 312
— after calving, to make clean,..... 238
— choked with a turnip, remedy for,... 95
— good dairy,..... 239
— how to deliver of a calf,..... 115
— value of a, to a poor man,..... 277
Cows at calving time, treatment of,... 115
— calve in the day time, to make,..... 111
— feeding potatoes to milch,..... 98
— food necessary for dairy,..... 202
— gestation in, period of,..... 129
— leaking their milk, to prevent,..... 111
— self-sucking, remedy for,..... 367
— soiling dairy,..... 309
— sweetening hay for,..... 78

Cows tails, keeping clean,..... 141
— working,..... 356
Cranberry culture, ... 36, 239
Cream, proper temperature to churn,.. 332
Crops, effects of the war on, ... 169
—harvesting the grain,..... 206
—in Canada, large,..... 74
—the harvest of 1861,..... 258
— wheat, in England,..... 312
Cucumbers, bugs on,.. 192
— — buttermilk for,.. 258
— culture of,..... 153
Cultivation as a fertilizing agent,..... 265
Curculio on the plum, remedy for, 141, 193
Currants, best varieties of,..... 63
— black, for wine,..... 154
— origin and improved varieties of,... 26
Cutting straw for fodder,..... 21

D

Dairies of N. Y. State, report on,..... 201
Dairy cow, a good,..... 239
— cows, soiling, benefits of,..... 319
— house, description of a,..... 55
— farms,..... 305
Daisy, ox-eye,..... 42
Days in a month, to tell the number of, 321
Diarrhœa, remedy for.. 258
Discussions, agricultural,..... 116
—— at the N. Y. State Fair,..... 304
Ditching with a plow,..... 271
Dodder, to exterminate,..... 160
Dogs, fleas on, remedy for,..... 367
—sheep-killing,..... 118
Drill, advantages of the..... 18
— plow and harrow combined,..... 246
